SPH Raises \$13K for Kenai Peninsula United Way

Homer, Alaska, Wednesday, November 14, 2007: South Peninsula Hospital employees donated over \$13,000 to local health and human service organizations during this year's Kenai Peninsula United Way campaign. This is a \$1,000 increase from last year's total of just over \$12,000. The donations average out to about \$278 per year, per donating employee. "I think one of the reasons the campaign is so successful here is that hospital workers are keenly aware of the needs the United Way agencies fill, because we rely on them as resources for so many of our patients and residents," said Nancy Lander, member of the Kenai Peninsula United Way Campaign Cabinet and Long Term Care Social Worker at SPH.
